

CODE OF CONDUCT AND INTELLECTUAL PROPERTY

At Segue Manufacturing Services, we take compliance and ethics seriously. That is why our Code of Business Conduct and Ethics is so very important. Following the law and operating with integrity is part of who we are.

OUR CODE:

- We make ethical decisions in all that we do.
- We protect our customers and our own confidential information.
- We follow our internal code, Company policies and the law.
- We subscribe to the principles of the Electronic Industry Code of Conduct (EICC)
